Bethany Community School
INVITES YOU TO

Our 1st Annual
FAMILY STEM NIGHT
Grades 3 - 6

Tuesday, March 28, 2017
Bethany Community School
6:30 - 8:00 p.m.

Join us for a fun night of exploring Science, Technology, Engineering and Math! Families will have a chance to build a rocket, program a Sphero robot with your smartphone, code with our Ozobots, make a game controller with Makey Makey and many more hands-on investigations! This night is for attending students and their parents. No child care will be provided.
