PROGRAMS

June 29 - July 29, 2010

ACADEMIC SKILLS PROGRAM

Tuesday-Wednesday-Thursday
(9:00 a.m. to 12:00 p.m.)

This program is open to all B.C.S. students entering grades 1-6. Students will receive targeted instruction in the areas of reading, writing, and math. Each day the students will rotate among three small groups focusing on key reading strategies to improve their reading comprehension, key math strategies to improve students' math problem solving skills and key writing strategies to improve their writing skills. Each group will be approximately 45 minutes and students will have a 20 minute recess/snack time. The cost of this program is \$300.00.

9:10 - 9:55	Group I	Reading, Math, Writing
10:00 - 10:45	Group II	Reading, Math, Writing
10:45 - 11:05	Recess/Snack (parents provide)	
11:10 - 11:55	Group III	Reading, Math, Writing
12:00	Dismissal	

ORIENTATION TO KINDERGARTEN

Tuesday - Wednesday - Thursday
(9:00 a.m. - 12:00 p.m.)

This program is for children entering Kindergarten. The Kindergarten Readiness Program will provide children with an introduction to school, educational activities, and peer socialization skills. This experience is an excellent opportunity to have your child become familiar with the school. The cost of this program is \$300.00.

ENRICHMENT

SUMMER SKILLS IN THE ARTS

Brochures can be found in the BCS office or on-line at www.bethany-ed.org

MYTH BUSTERS — cost \$100.00

Students will participate in a series of experiments based on the popular television show, *Mythbuster*. Students will try to prove or disprove urban myths through experimentation. Students will become familiar with the various steps of the scientific method and complete a journal outlining the different steps of their experiments.

- Students entering grades 5 - 7
- Tuesday, Wednesday and Thursday (9:00 a.m. - 12:00 p.m.)
- Classes will be held July 20 - 22 & July 27 - 29

SCIENCE SUMMER FUN — Cost \$100.00 each PLEASE NOTE REVISION FOR 3RD SESSION

Mad Scientist Science Lab: July 6 - 8 9:00 a.m. 12:00 p.m. **Student grades 3 - 6,**
Students will become a scientist and will discover how much fun science really is! Students have the opportunity to explore many aspects of the scientific world using the scientific method.

3-2-1 Blast Off! Rocket Science Camp: July 13 - 15 9:00 a.m. - 12:00 p.m. **Student grades 3 - 6,**
Explore rockets and the science behind space travel! Get a sense of what it is like to live and work in space like a real astronaut. We'll investigate various types of rockets and you'll build your very own rocket to take home. Students will also explore the concepts of altitude and altitude tracking.

*******Mad Scientist Science Lab: July 20 - 22** 9:00 a.m. - 12:00 p.m. **Student grades K - 2,**
Students will become a scientist and will discover how much fun science really is! Students have the opportunity to explore many aspects of the scientific world using the scientific method.

PARK & RECREATION PROGRAMS

The Bethany Parks and Recreation Department is also sponsoring summer programs. Students may be enrolled in these programs in conjunction with the school academic programs for a full day. Please call 393-2100, extension 127, for details.
