COMMUNITY RELATIONS

Conduct on School Property

The Bethany Board of Education (Board) expects mutual respect, civility, and orderly conduct among all individuals on school property or at school events. Bethany Public School District (District) staff will treat parents/guardians and other members of the public with respect and expect the same in return. The Board is committed to maintaining orderly educational and administrative processes in keeping schools and administrative offices free from disruptions and preventing unauthorized persons from entering District grounds.

This policy promotes mutual respect, civility, and orderly conduct among Board members, District employees, parents/guardians, and the public. It is not intended to deprive any individual of the right to freedom of expression, but only to maintain to the extent possible and reasonable, a safe, harassment-free environment for students and staff. Volatile, hostile, or aggressive actions and words cannot be tolerated, and individuals who engage in these activities may face legal penalties.

In the interest of presenting Board members and District employees as positive role models to the students as well as to the community, the Board encourages positive communication and discourages volatile, hostile, or aggressive actions. The Board seeks public cooperation with this endeavor.
