

Adult Continuing Education

The Bethany Board of Education (Board) recognizes that education is a lifelong process. Therefore, the Board shall provide for participation in a program of adult classes for its adult residents through a cooperative arrangement with Amity Regional School District #5. The adult education program shall be open to all residents over age sixteen (16), not attending any public or private elementary, middle, or senior high school. A student who is under age sixteen (16) may attend adult education classes if their request is approved by the Board, if accompanied by a parent/legal guardian.
