

**Mission for Bethany Public School District**

The mission of the Bethany Public School District, in partnership with the community, is to challenge and inspire every student to become a lifelong learner and a resilient, independent, literate, caring, creative, responsible world citizen.

The major obligations of the Board of Education are to secure competent educational leadership, to develop sound educational policies, and to utilize tax money wisely and effectively.

Policy adopted:           September 9, 1991
