

Accident Prevention and Reporting

The Principal shall be responsible for the supervision of a safety program for the school and the Superintendent shall have overall responsibility for the safety program of the District. General areas of emphasis shall include, but not be limited to:

1. in-service training;
2. accident record-keeping;
3. plant inspection;
4. fire prevention; and
5. emergency procedures and traffic safety problems relevant to students, employees and the community.

Policy adopted: September 9, 1991
