

Evaluation

Intramural Coaches

There shall be an annual evaluation of all intramural coaches, to be conducted by the coach's immediate supervisor. Each coach shall receive a written copy of the evaluation.

The purposes of evaluation are:

1. To provide a systematic process whereby coaches may increase the effectiveness of their services to the athletic program utilizing the available professional resources.
2. To provide an opportunity for coaches to analyze their strengths and weaknesses, and to discuss objectively the contributions they have made to the athletic program.
3. To provide an opportunity for the administrative staff to analyze the strengths and weaknesses of individual coaches, and to utilize this knowledge to develop supervisory service to assist individuals in developing their competence.
4. To provide an effective means by which administrators may make recommendations concerning the continued employment of personnel, the granting of increments, and/or other recommendations to the Superintendent.

It is the responsibility of all administrators, coaches and other professional staff members to recognize that the District intends to seek and maintain the best qualified staff to provide quality coaching for student athletes.

The administrative appraisal shall include but is not limited to knowledge of sports area, coaching skills and techniques, attitudes, behavior patterns, values and ethics.

The Board may terminate the coach at any time for reasons of moral misconduct, insubordination or a violation of the rules of the Board or because a sport has been cancelled by the Board.
