

Harassment

The Board strives to provide a safe, positive working climate for its employees. Therefore, harassment, in any form, will not be tolerated in the Bethany Public School District. This policy applies to all students, staff members, Board members, parents, vendors, contracted individuals, volunteers, other employees and other visitors who are on District grounds or on property within the jurisdiction of the District; on buses operated by or for the District; while attending or engaged in District activities; and while away from District grounds if the misconduct directly affects the good order, efficient management, and welfare of the District.

Employees, students, and others are expected to adhere to a standard of conduct that is respectful and courteous to all. The principle of freedom of expression that might otherwise protect the most offensive public speech does not protect or encompass a right to threaten the dignity and privacy of an individual. Such personally directed behavior will not be tolerated. It is contrary to academic values, debilitates its victims, compromises the offenders, and undermines the District's fundamental commitment to individual freedom and respect for all its members. Furthermore, acts of intolerance may destroy the very atmosphere in which freedom of expression is otherwise tolerated and cherished.

For purposes of this policy, **harassment** consists of verbal, written, graphic, or physical conduct relating to an individual's race, color, religion, sex, national origin/ethnicity, physical attributes or disability, parental or marital status, sexual orientation (including gender identity/expression), or age when such conduct/harassment:

1. is sufficiently severe, persistent or pervasive that it affects an individual's ability to participate in or benefit from an educational program or activity or creates an intimidating, threatening or abuse education environment;
2. has the purpose or effect of substantially or unreasonably interfering with an individual's academic or work performance;
3. otherwise adversely affects an individual's employment opportunities;
4. is made either explicitly or implicitly a term or condition of an individual's education or employment; and
5. exposure to or rejection of such conduct by an individual is used as the basis for decisions affecting the individual.

Harassment as set forth above may include, but is not limited to:

- verbal, physical, or written intimidation or abuse;
- repeated remarks of a demeaning or condescending nature;
- repeated demeaning jokes, stories, or activities directed at the individual.

For purposes of this policy, **sexual harassment** shall consist of unwelcome sexual advances; requests for sexual favors; and other inappropriate verbal, written, graphic or physical conduct of a sexual nature when:

1. acceptance of such conduct is made, either explicitly or implicitly, a term or condition of an individual's continued employment;
2. submission to or rejection of such conduct by an individual is used as the basis for decisions affecting the individual; and
3. such conduct is sufficiently severe, persistent or pervasive that it has the purpose or effect of substantially interfering with the employee's job performance or creating an intimidating, hostile or offensive working environment.

Examples of conduct that may constitute sexual harassment include, but are not limited to sexual flirtations, advances, touching or propositions; verbal abuse of a sexual nature; graphic or suggestive comments about an individual's dress or body; sexually degrading words to describe an individual; jokes; pin-ups; calendars; objects; graffiti; vulgar statements; abusive language; innuendoes; references to sexual activities; overt sexual conduct; or any conduct that has the effect of unreasonably interfering with an employees' ability to work or creates an intimidating, hostile or offensive working environment.

Each staff member shall be responsible to maintain an educational environment free from all forms of unlawful harassment.

Should harassment be alleged, it is the policy of this Board that it shall be thoroughly investigated, that there shall be no retaliation against the victim of the alleged harassment, and that the problem/concern shall be appropriately addressed.

In order to maintain a work environment that discourages and prohibits unlawful harassment, the Board designates the Superintendent or his/her designee as the District's Compliance Officer.

The Compliance Officer shall publish and disseminate this policy and the complaint procedure annually to students, parents, employees, independent contractors, vendors and the public. The publication shall include the position, office address and telephone number of the District's Compliance Officer.

The District shall annually inform students, staff, parents, independent contractors and volunteers that unlawful harassment will not be tolerated with the school system.
