## Parent/Guardian Notification Regarding Student Attendance

Regular and punctual student attendance is essential to the educational process. Connecticut General Statutes Section 10-184 provides that "[e]ach parent or other person having control of a child five (5) years of age and over shall cause such child to attend a public day school regularly during the hours and terms the public school in the district wherein such child resides is in session or the parent or person having control of such child is able to show that the child is elsewhere receiving equivalent instruction in the studies taught in the public schools. Such parent or person shall personally appear at the school office and sign a withdrawal form. Such withdrawal form shall include an attestation from a guidance counselor or school administrator of the school that such school District has provided such parent or person with information on the educational options available in the school system and community. The parent or person having control of a child five (5) years of age shall have the option of not sending the child to school until the child is six (6) years of age and the parent or person having control of a child six (6) years of age shall have the option of not sending the child to school until the child is seven (7) years of age. The parent or person shall exercise such option by personally appearing at the school office and signing an option form. The District shall provide the parent or person with information on the educational opportunities available in the school system."

In order to assist a parent/guardian in meeting this responsibility, the Bethany Board of Education monitors unexcused student absences and makes reasonable efforts to notify a parent/guardian by contacting them when a student fails to report to school. State law provides that any person who, in good faith, gives or fails to give such notice shall be immune from any liability, civil or criminal, which might otherwise be incurred or imposed and shall have the same immunity with respect to any judicial proceeding which results from such notice or failure to give such notice. The Board, therefore, must obtain a telephone number or other means of contacting parents or other persons during the school day.

At the beginning of each school year, a student's parent/guardian will be required to complete a Student Emergency Information Form for **every** student enrolled in the Bethany Community School.

It is the responsibility of a student's parent/guardian to immediately notify the District of any changes to the information contained on the Student Emergency Information Form during the school year.
