Introduction

The Board of Education recognizes the importance of school volunteers at all levels of schooling. Volunteers can enhance collaboration between the school and community, broaden the school's educational environment and ultimately enrich students' school experience. In recognition of the benefit of having volunteers and other non-employees providing services within the schools, the Board supports the involvement of these individuals in accordance with suitable regulations and safeguards.

Volunteers and other non-employees working within the school ("volunteers") must work under the supervision of the Bethany Public School District staff. Volunteers are held to the same standards of conduct as school staff and must observe all Board of Education policies, including applicable policies on the confidentiality of student information.

Volunteers may be required to submit to state and federal criminal record checks and a record check of the Department of Children and Families ("DCF") Child Abuse and Neglect Registry. No person who is required to register as a sex offender under state or federal law, or whose name is currently listed on the DCF registry, may volunteer in the Bethany Public School District.

Refer to [Policy 1212](#) and [Administrative Regulation 1212](#) for complete content.

Thank you for your interest in volunteering with the Bethany Public School District. In an effort to make your experience as beneficial as possible, we ask that you take a few moments to review the information in this packet and complete the Volunteer Interest Form.

Volunteer Opportunities

There are numerous opportunities for volunteers within the Bethany school community. Some functions require specific training in the operation of equipment or instructional strategies; others require only a brief orientation to the activities of the day. Some volunteer assignments require ongoing commitments for purposes of continuity and consistency, others require less frequent time commitments for specific occasions or onetime special activities. Volunteers work under the direct supervision of school staff.

Additionally, the PTO needs volunteers to work on various committees and to help with programs, memberships, fundraising, hospitality, special projects, publicity, decorating and other essential tasks. Send an email to bethanypto@gmail.com for more information.

Our commitment to you

We believe that our schools are responsible for creating and maintaining a student centered learning environment that fosters for everyone in the school: young people, staff, parents and volunteers. Especially since our schools have such a need for and commitment to our volunteers, we promise to:

- Treat our volunteers with care and respect.
- Make every effort to assign volunteers to positions that match what they like to do and know how to do best.
- Provide volunteers with the information they need about our schools, policies, people and programs.
- Offer support throughout the volunteer experience.
- Make sure volunteers understand how and to whom to talk about any concerns.
- Give volunteers the opportunity to share comments and suggestions about their volunteer experience.
- Celebrate the contributions our volunteers make to the quality and culture of our students with recognition, a smile, and frequent thanks!

Your commitment to us

As a school volunteer, you make a world of difference to our staff and students. Volunteers:

- Enrich the school program by sharing your experiences and talents with students and staff.
- Stimulate community interest, concern and support for education through sharing your experiences.
- Enhance the district's school-community partnerships through your positive and constructive participation as a member of our school community.
- Make a difference in the quality of the school experience for our students through your honest feedback about our strengths and challenges.
- Support strong student self-concepts by showing them that they are important to you, by taking the time to listen to them and by helping them have an even more joyous learning experience.
- Become a better community member as you learn about the many skills, talents and contributions of the faculty, staff and other volunteers who contribute to the school.
- Increase your own sensitivity to the challenge of today's young people and strengthen your resolve to help them.
- Model the importance of giving back to the community so that our children will do the same in their generation.

Mission Statement

To challenge and inspire every student to become a lifelong learner and a resilient, independent, literate, caring, creative, responsible world citizen.

- Positive attitude and effort lead to accomplishment.
- Physical activity, the arts, and play are essential elements of a comprehensive education.
- Education must focus on active learning, using critical thinking, and problem solving skills.

We are committed to...

- Empowering students to become resourceful learners who can apply their knowledge.
- Challenging each student to reach his/her full potential.
- Respecting individual and community values.
- Integrating twenty-first century technology throughout our school.
- Investing in our professional staff to enhance instruction.

- Providing a safe, secure and positive environment.
- Managing our financial resources efficiently and effectively.
- Advancing the Bethany School District together as a community.

Volunteer Code of Conduct

1. **Confidentiality is an essential part of the operations of any school and is protected by federal and state law.** Each student has specific legal rights with regard to the confidentiality of their performance, behavior, achievement, records and personal information within the school. Volunteers in the school are expected to adhere to the same standards of confidentiality as govern the professional staff and all employees. Volunteers who have concerns regarding anyone or anything within the school should bring them to the attention of a teacher, administrator or staff member.
2. **Communication** between the teacher/staff and volunteer is vital to a successful volunteering experience. As a volunteer, it is important to know what to do upon arrival in the classroom, library or volunteer location.
3. **Supervision of Students.** Volunteers who are working with children under the general supervision of a teacher or staff member should be sure that any child for whom they are responsible is regularly supervised and avoid any potential danger to that child. As a school volunteer, you have made a commitment to work with all the children in a group or class. Be sure you do not focus your attention on your own child. Volunteers should never be left alone with children without direct supervision by a faculty or staff member.
4. **Positive Attitude.** Schools are exciting places, full of caring people; children, volunteers and staff members. A school can also be a stressful place with tight schedules and over five hundred people interacting with one another. It is important to remember we are all human with good days and bad days. Treat each child as you would your best friend's (with realistic expectation, patience and love). A warm greeting, a smile, and gracious understanding will help us all.
5. **Timeliness.** Classrooms run on tight schedules. It is important that volunteers be prompt in their arrival and departure times. Unless there is a specific reason for you to remain at school, it is expected that you leave upon completion of your volunteer duties so that all persons in the school are accounted for. If you are unable to keep a scheduled time to volunteer, please inform the teacher, staff member or office staff as soon as possible.
6. **Siblings.** Due to the distractions which may be created by young children in the classroom, volunteers are asked to kindly refrain from bringing young children or siblings to school when volunteering.
7. **Safety and Security.** Visitors and volunteers are required to sign in at the main office and obtain a name tag before entering the school. If you should observe an unsafe condition or anyone (other than school personnel) in the school without a name tag or visitor's badge, be sure to notify a staff member. Visitors and volunteers are required to sign out when they leave the school.

8. **Incident Response Procedures** are in place to deal with emergency situations. An EVACUATION Procedure is activated when the school building needs to be emptied due to an emergency situation (i.e. fire). A LOCKDOWN Procedure is initiated when there is a known danger or threat inside any part of the school building(s) (i.e. intruder). A SHELTER IN PLACE procedure is initiated when there is a known danger or threat outside of the school building (i.e. severe weather). In any of these situations, volunteers must follow teacher and administrator direction.
9. **Medical Emergency.** In the event of a medical emergency, accident or injury, call the main office immediately and obtain the assistance of a faculty member.
10. **Your Health.** Please do not come to school if you are ill. This includes a cold, sore throat, or cough. You may think you are leaving the teacher shorthanded, and you may want to volunteer even though you are not well, but doing so is not good for you, the children, or the teacher. Please contact the teacher or school and leave a message that you are ill. Children learn by example, and we ask that you, as a role model, use good health habits when you are at school.
11. **Appearance and Manner.** Volunteers should be well groomed and dress appropriately. Hats, short skirts and shorts, exposed midriffs, low cut blouses, and inappropriate graphics/ language on t-shirts are not allowable for students, let alone volunteers. If you are not sure how you should dress, please ask. Volunteers should also set a good example to students by maintaining professional conduct and language.
12. **Student Behavior Management.** Student behavior management is implemented in many ways depending upon individual needs and special circumstances surrounding each student. Volunteers are not allowed to discipline students. Volunteers who observe a situation that requires behavioral intervention and/or discipline should refer the problem to a staff member.
13. **Policies and Regulations.** Volunteers are subject to abide by the Bethany Board of Education Policies and Regulations. Board policies and regulations can be found on www.bethany-ed.org, Board of Education, Policies.
